PRESIDENT'S MESSAGE

Although preparations for the 1976 Season have been in the making for the past few months the first Official Bounce of the Ball in our competition matches today, heralds the start of another keen tussle for Football Supremacy in both the League and Seconds Competition.

My earnest wish is that every game will be played in the spirit of true Sportsmanship. Every club and every team will strive to reach the top and when the Pennants are finally presented, it would indeed be fitting to say unanimously "The Best Team Won".

I would like to extend the sincere thanks of the League to Kenwick Motors for their generous offer in making available an award of \$200.00 for our League Competition.

Best wishes for a Happy and Progressive Season to all Clubs, Officials, Players and Supporters.

REG BLACKBURN PRESIDENT.

Indroducing the New Secretary
of the S.S.M.N.F.L.
ARTHUR BRUCE.

EDITORIAL:

When the five cental umpires at today's league games "hold the ball aloft" the 16th season of South Suburban Murray Football will have begun.

And season '76 promises to be the most outstanding in the League's history.

All Clubs have recruited extensively, league grounds have been upgraded, players' awards have been improved and the League's most experienced administrator - Mr Reg Blackburn - takes over as League President.

From a playing point of view the season appears poised to be a more vital and even one than last year's. And the record crowd of over 4,000 at the 1975 Grand Final vouches for its success.

The efforts of both Kelmscott and Armadale in recruiting Eddie Donnes and Gary Greer respectively to the competition are to be commended. Neither player needs an introduction to football followers in this State and their presence - together with the return to Maddington of the 1974 Bowden Medal winner, Barry Stockden - can only enhance the standard of football within the League.

Maddington have been the pacesetters in S.S.M. football for the past two years and their current premiership price of 3/1 suggests they will be prominent again. They received spirited opposition last last season from four other teams, namely Gosnells, Thornlie, Kwinana and Kelmscott and they expect challenges from those sides again.

The encouraging aspect from the League's point of view, however, is the challenges that will come from last season's bottom five. The gap that existed between the top five and the bottom five appears on paper at least - to have closed. There's no obvious chopping block in the competition and all clubs can look forward to 1976 optimistically.

PLAYERS AWARDS:

A new Best Player award and the continuation of all last season's incentives, will boost interest in this season's games.

The new award - a \$200 cash prize - has been made available by Kenwick Motors. Votes will be cast each week by the goal umpires and published in the "Football Gazette."

League awards this year will include the Dr Bowden Medal to the fairest and Best League player, judged on umpires votes, a league fairest and best trophy decided on the votes of opposing team officials, a leading goalkicker award and the Patron's Trophy to the fairest and best Reserves player.

Central umpires will also cast votes for the Sunday Times Medal awarded annually to the most consistent player and boundary umpires will decide The Sports Review \$100 Football of the Year award.

TODAY'S GAMES:

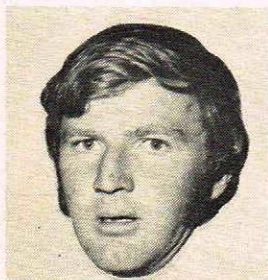

At Gosnells Oval last season's Grand Finalists - Maddington and Gosnells - meet in the game of the day. Maddington look impressive with former league players Dennis Cometti, Paul Mountain, Rod Mohr, Colin Walker, Guy Sherrington and Trevor Tregear forming a solid backbone. Gosnells, on the other hand, have lost two key players in Barry Marsh and Don Sloper and they may have early season problems. Coach, Peter Dougan will be reliant today on support from Len Marsh, Jeff Reynolds and newcomer, Barry Woodhead (if cleared) but it's doubtful that will be enough to defeat the "Bulls".

Kwinana and Thornlie will do battle at MEDINA OVAL in what should be a close game. Kwinana's pre-season form hasn't been over-impressive but they're proven performers, particularly at home. However, Fred Senior should be awake to that fact and Thornlie can be expected to repeat last season's first semi-final win.

Former East Fremantle team-mates, Eddie Donnes and Neil Dedman, will meet head-on at John Dunne Oval where Kelmscott and Kenwick will do battle. Kelmscott are a potential finals side and Donnes should start his coaching career on a winning note.

Mandurah, under the guidance of their new coach, Norbert Fandry, make the trip Hartfield Oval for their clash with Kalamunda. The home-side's form has been impressive and the acquisition of Ken Smith should see them finish higher up the list than they did last year. They look too strong for Mandurah.

Canning, under Paul Polsen play Armadale at Wyong Reserve. The homeside were a disappointment last season and they're something of an unknown quantity this year. On the other hand, Armadale look to have taken positive steps to improve their lot by signing Greer. Greer will have at his disposal a team of enthusiastic young players and they look capable of starting the season with a win.

KALAMUNDA KOUGARS

Welcome to our new coach, Ken Smith former East Perth player. The club is elated in having the services of this dedicated player. Already in his coaching position he has shown the leadership that our new look team requires.

Dedication to the club is the most important asset that we have, individuals have small value if this attitude is one of self importance and it is up to every member of this our club to totally involve himself to the concept of lifting Kalamunda to a United, progressive, successful team.

Alfresco provided us with a venue for a great night last Sunday. All who attended enjoyed the evening. Paddy Walshe provided us with an exhibition of dancing we have never seen. Welcome back from Dublin Paddy.

Players Mandurah today how about a win for Ken and Geoff and follow this up by attending our after game social at Wattle Grove Hall. We extend an invitation to all Mandurah players and supporters to join us and start the season off on a good note.

TANGLEFOOT

THE NIGHTS

The club would like to take this opportunity to welcome our new coach Kevin and all the new players who are playing their first game today. Unfortunately our scratch match form this year was not as good as it could be. We have been hard hit by injuries but most players should be fit for today's encounter with Thornlie.

The word has got around amongst other clubs that Kwinana are on the slide this year. Today we have to silence our critics with a resounding win in both grades. Remember it was Thornlie who knocked us out of the finals last year and we have to avenge this defeat. With all our players fit and firing we still have a side which is good enough to beat any other in the competition.

SOCIAL NOTES

Attendance at social functions so far has been very encouraging. Our next function is a Quiz night to be held early in May at the Tavern. Tickets will be available soon for the Annual Ball to be held in the Rokcingham Hall on June 4th. This looks like being a great night with the State's leading band "J.T. and the Jazzmen" playing.

Finally I close with a message from Bill Hazell who is now in England. "If you control the ball you will control the game and I wish you all the very best for the season".

S.S.M.N.F.L. competition commences today, no doubt with all clubs highly expectant of a successful season, and our new President Des Fogarty, together with committee and members of the Canning Football Club, extend to all kindred clubs best wishes for the following season.

Our clash today is with Armadale a team who has provided us with spirited opposition over the last few seasons and would be much stronger this year under new coach Gary Greer. A hard, close tussle could be expected.

Paul Polsen has been reappointed coach of our senior side and will receive support from Kevin Robartson - aa, League coach and reserves coach, Greg Sladden. These three, together with Ron Wilcox, will form the selection

committee. Ron will be remembered by many as a past coach of Canning and his presence back in the side will no doubt add vital experience.

The committee has taken a lead from other clubs re presentation and has arranged manufacture of a club blazer, as will be evidenced today by our resplendent committee. If possible we would like to see all members equipped similarly. Blazers may be ordered through the committee.

Membership is now due at \$15 and entitles free entry to home games plus all club privileges.

We wish both our sides and in particular our numerous new faces, best of luck in today's games. Remember the most important qualifying round game to win is the first one - our success this year may well be determined by today's result.

THE SEASIDERS

After a strenuous pre season build up Mandurach supporters can look forward to the '76 season with considerable enthusiasm. Form shown in scratch matches by Greg Rundell, Paul Wooltorton and Rusty Renfrey show good seasons ahead for them. New recruits in Peter Roberts from Pinjarrah, Neil Williams from Wickiepin and hopefully Les Barrett from East Fremantle Colts further bolster the side with experience. Coach Norbert Fandry is extremely pleased with the performances of last years under 17 players Brian McKay, Chris Heales, Robin Smith and Mark Mattison. Haydon Brimson back from an overseas trip and Terry Sullivan the 1974 Fairest and Best back in training add further depth to the side. Today's game against Kalamunda will show supporters what they can look forward to in 1976. Congratulations to the "A" grade players to make the squad and it is up to those whom missed out to show the selectors what they can do in the "A" Reserves today.

THE LIONS

Despite the loss of eight players from last years league finals side the club has recruited well and welcomes all new players to the club and also would like to wish all players old and new the very best for the coming season. Scratch matches played by the club met with mixed success and the Lions appear set for a good season. Supporters and Players don't forget the Quiz Night to be held in the clubrooms on Wednesday the 28th April. Michael Brock of ABC T.V. will be the compere and a good night is assured to all who attend this function.

The Club would like to extend the best of luck to all other clubs in this competition for the 1976 Season.

MIGHTY ROYALS

This year Kenwick is looking forward to a successful season. Under the leadership of new coach Neil Dedman. Neil has been putting the players through a solid program for some weeks now and our performance against Kelmscott today will prove how fit our players really are.

We welcome new players to the side this year. John Risley our seconds coach, Kim Lynch, Geoff Truscott, Kevin Dale and Wayne Walton, and wish them every success for the season.

Good luck fellows. If our scratch matches are any indication we should be up with them at the Final Bell.

Looking forward to meeting the Kelmscott Boys after the Game.

THE HAWKS

The Gosnells Football and Sportsman Club Inc is now the new name of the Club and a warm welcome is extended to our many new members and supporters.

With the loss of several of our talented players of last seasons Grand Final side, the club is going to find the going tough in the early games, but when the many new players who have joined the club settle in, supporters can be assured the Hawks will again be found towards the top of the ladder.

A warm welcome is extended to our new players, George Froome, Des Rice, Barry Woodhead, Ron Trehwella, Syd Websdale, Colin Castensen, Chas Varis, Richard Martin, Lee Bain and Ian Jones.

Congratulations to Jethro and E'laine Reynolds and to Ken and Cheryl Harris who became proud parents recently.

The committee re-organisation under the new constitution is working successfully at present and the club is pleased to have Harold Hogan and Bob Price as new committeemen.

Peter Dougan, Norm Barratt and Lex Howden have been reappointed as Coaches for 1976 and with the experience these men possess the club is assured of a successful season.

The Clubs membership drive is in full swing and nomination forms can be obtained from the Secretary or any committeeman. Membership includes admission to all home games.

Our Social Committee under the chairmanship of Frank Sohacki is operating very successfully and tickets are now available for the clubs Bonanza Raffle which is similar to our Singapore Trip Raffle held last year. See Frank for your tickets now as there is only a limited number. The club has recently obtained an unlicensed club permit which will operate on the following days Tuesdays 4.30 to 8 p.m., Fridays 5 p.m. to 10 p.m., Saturdays 4 p.m. to 8 p.m. and Sundays 4.30 p.m. to 7.30 p.m. Members and their guests are cordially invited to make use of the clubs facilities during the above hours. A warm welcome is extended to Maddington for todays game and we trust the spectators will be treated to a tight game.

K.D.
Secretary.

DEMONS DICEST

"NOT FOR NIX-IN '76"

Well folks, another footy season has come around, and memories of "Ump, uou're blind you mue!", and "Ripper mark, "Knickers"!!", will come flooding back once more.

Kim cable, President of the Armadale football club, extends best wishes for a successful season, to all our Kindred clubs and assures them all of a warm welcome when it is their turn to visit Gwynne Park, home of the Demons.

Everyone in the Club wishes our new coach Gary Greer, every success for the coming season, and can rest assured that the vast army of Demon followers will be behind him and his players all the way. "Get into gear with Gary Greer!", is a slogan that will be used constantly this year. However, this gearbox is manually operated not automatic all players will have to change gear at the exact revs, in order to obtain the maximum performance. One other point, this gearbox has no reverse!.

To-day we open out fixtures with a visit to Canning Football Club, The "Tigers". A repeat of our pathetic effort against the Tigers in our last game of last season, is absolutely out of the question Fellas!. A reversal of that result will give the start we want, so get to it, you devils!

Next week we will probably be playing Kelmscott at their ground, not ours, as shown in the fixtures list. Please check with any of our officials for confirmation.

Last but not least, the club welcomes all new players, officials, members, and supporters, and sincerely hopes that their stay will be a long and happy one.
